

DAILY CHECKLIST

Here are some **recommended action steps** that you can take each day to progress your business forward.

Stay consistent and see results!

Here are some things I do all week long, and many times **every single day**

Read or listen to empowering material every day ([recommendations](#))

Post on Social Media OFTEN (daily if possible)

Post in Facebook Groups (daily if possible)

Reach out to at least 10 – 20 new people from Facebook groups to develop relationships, not to market to – *yet*. **Keep a list.**

Develop leads by **using a capture page**

Send an email 2 – 3 (*must have* an autoresponder)

Use [SociSnap](#) to make posts & emails stand out (get **free snaps**)

Use [WiseStamp](#) to set up your email signature for **free**

Use Thesaurus (google it) to locate empowering words for marketing

Open a YouTube Channel and post *at least* one video per week – more if possible (easy [video creation free trial](#))

Above all else – **BE CONSISTENT!**
