

Level Reward Fast Start Blueprint

✓ Complete Levels

- ✓ Every Level Qualifies You To Earn An Additional \$5.00
 - ✓ Paid DIRECT To Your Paypal or Bank Account

1. Complete a few free or paid offers (completed offers earn you credits).
2. Each **1 credit** = \$5.00 - **2 credits** = \$10 - **3 credits** = \$15 and so on.
3. Share this method with others and **get paid** when they do the same.

For every **1 credit** you have, you reach another **'level.'**

Each level qualifies you to earn more money when your referrals complete and reach the same level!

Example:

If you have 5 credits you are qualified to earn \$25 for per person (*recommended to reach Level 5 on your 1st day*).

When you have referred someone, and they 'level up' (*at any time*) YOU earn \$5 each time they do, (*up to whatever level you are qualified at*). Even if they pass you, once you level up, you still get paid!

So, when you **continue** 'leveling up' by completing offers, you **continue** to be qualified to earn more and more as your referrals do the same!

NOTE: You are not paid on completing offers, you are paid when people you have referred complete offers.

How much you are paid (\$5 per level) depends on the level **you** are at... which is why you want to continue to reach higher and higher levels!

It's UNLIMITED!

Complete free or paid offers.

There is training you can plug into, but I'll show you how simple it is.

COMPLETE THIS OFFER

Pretty sweet huh?

It's a win-win!

For example, let's say you told 20 people who complete that \$5.95 offer, (or even some free offers), then you would earn **\$500 or more** depending on how many levels they reach.

As each of those people reach higher and higher levels by completing more offers, *just as you will*, you continue to earn \$5 **every time** they complete **another** level!

The ideal way to kick your business off right out of the gate is to get to **Level 5 on your 1st day** and teach your new members to do the same.

You can do this easily, and anyone can begin at no cost out of pocket... but if you want to go faster, do a few paid offers.

Are you beginning to get the picture?

This has been running for 8 profitable years, creating very generous incomes for those involved, with NO risk whatsoever, and...

...many offers can be completed at no cost, you will simply get to the higher levels faster by completing a few low cost offers.

Can you imagine spending \$20 or so to reach Level 5 and your referrals do the same?

Then you are earning up to **\$25 PER PERSON** *or more* every time someone follows this blueprint!

Can you say Cha Ching?!!
